A new A bill, Mr. President.

SENATOR BEUTLER: The call is raised.

CLERK: New A Bill, 667A. (Read title.) (See page 1398 of the Legislative Journal.)

Mr. President, the next bill is 628. (Read title.) It was first read on January 22. It was referred to Ag and Environment for hearing. The bill was advanced to General File. There are committee amendments pending.

SENATOR BEUTLER: Senator Johnson on the committee amendments.

SENATOR R. JOHNSON: Mr. President, members, very briefly, the committee chose to extend the sunset date from 1986 to 1987 as well as deleting a section which gave the commission the subpoena power for conducting investigations and that would be found on page 7, lines 1 through 20, or subsection (c). The committee felt that that was a little broad in its authority and so we have deleted that section from the bill and those are the committee amendments.

SENATOR BEUTLER: Senator Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, I rise to support the committee amendments. I believe that the adoption of the committee amendments will remove the opposition of the Nebraska feed and grain dealers and would perhaps calm some of the feeders and some of the elevator operators who have expressed concern about the commission having the right of subpoena powers. I would hope you would adopt the committee amendments and then we will discuss the bill.

SENATOR BEUTLER: Okay, I see no further lights. The motion is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Please vote.

CLERK: Senator Beutler voting yes.

SENATOR BEUTLER: Is there anybody else who wishes to vote? Record, Mr. Clerk.
